**Description:** 2604 Truppin, Andrea. [1989]. Maine: [coast]. Tapes: Two VHS video cassettes (approx. 3/4 hrs.). Accession consists of two VHS videotapes received from filmmaker Andrea Truppin relating to her 1989 film project about the dying of the herring smoking industry on the coast of Maine. The project was called "The Last Smokehouse" [not full title]. One video contains a dub of a rough cut (?) of the film (ca. 30 mins.) and the other contains a ten minute segment possibly prepared as a demo for fundraising or promotion. No other information available at time of accessioning.

Recordings: V 0185 and V 0186 (VHS)
