2005 Business Patterns

Note: This is a modified view of the original table.

[NOTE. Data based on the 2005 County Business Patterns. Data for counties may not add to state totals due to the exclusion of "statewide" county data. (Statewide data are included in the CBP html tables and download files found at <http://www.census.gov/epcd/cbp>.) For information on confidentiality protection, sampling error, nonsampling error, and definitions, see Survey Methodology. Data in this table represent those available when this report was created; data may not be available for all NAICS industries or geographies. Excludes most government employees, railroad employees, and self-employed persons.]
